 Please submit before the 'add/drop' period is over so that there is time to make changes if the classes chosen are not suitable.

Name	Leah Rea
US College	Coe College, Cedar Rapids IA

CLASSES - FALL SEMESTER

Please remember you must take 30 credits over the course of the year, with a total of 24 credits in business & 6 credits in elective classes.

We would suggest that you take 15 credits in Fall Semester and 15 credits in Spring Semester..

If each class is worth 3 credits, during Fall semester you should take 4 business classes and 3 elective credits

If each class is worth 4 credits, during Fall semester you should take 3 business classes and 1-4 elective credits.

	Course Code & Class Title	Level (100-400)	Credits	Brief Description (taken from course catalog)
EXAMPLE	ECD - Macroeconomics Analysis	210	3	An investigation of the economic factors determining the level of national income, prices, unemployment, and the rate of economic growth utilizing a number of different theoretical perspectives.
Business Class 1	BUS - Principles of Accounting I	205	4	A study of the accounting process and preparation of financial statements, primarily for external reporting purposes. Includes analyses of asset and liability accounts and owners' equity accounts of sole proprietorships and partnerships.
Business Class 2	BUS - Environmental Law and Policies	299	4	An introduction to the law and surrounding policies pertaining to environmental issues such as pollution, population, economic growth, and energy. The course focuses on the analysis of existing federal statutory efforts, such as the National Environmental Policy Act.
Business Class 3	BUS - Marketing	355	4	A study of the basic principles of marketing including the analysis of market opportunities, market segmentation, and product positioning. Emphasis is placed on consumer markets and the development of marketing strategy using the variables of product, price, promotion, and place.
Business Class 4	BUS - Entrepreneurship and New Bus Formation	605	4	Analysis of the role of the entrepreneur in the capitalist economy. Development of the procedural system for establishing a new business. Establishment and operation of a "small business" by teams of students, including presentation of a business plan in order to secure financing.
Elective Class	POL - Political Violence	248	4	Focuses on politically motivated violence by and against states, groups, and individuals, with attention to theories that explain the persistence of such violence. Examines such phenomena as traditional warfare, guerrilla warfare, coups d'état, rebellions, torture, and terrorism.
Total Fall Credits			20
